Re: San Francisco Bay Mercury Coordination Conference

The Sixth Annual San Francisco Bay Mercury Coordination Conference was held on February 5th, 2009 in downtown Oakland. 99 people registered: 91 attended. We had to stop the registration early due to limited seating capacity in the room. In 2008, 66 people attended; in 2007, 77 attended the meeting. Presentations from this conference can be viewed at our website at:
