

LIST OF REVIEW PANEL RECOMMENDATIONS
FOR IMPLEMENTATION BY THE STEERING COMMITTEE

#	RECOMMENDATION	WHO	ACTION
1	Better documentation of RMP planning and decision-making processes	SC	
2	Describe the consensus-based process used in RMP planning and decision-making. Propose a procedure to resolve conflict when consensus-based decisions cannot be achieved.	SC	
5	Increase public outreach	SFEI/SC	
7	Closer collaboration with CEP	TRC/SC	Set up joint meetings with CEP, TRC and SC. Develop a better conceptual understanding of RMP and CEP to avoid overlap.
9	Add a representative of the environmental community to the Steering Committee	SC	
11	Enhance interaction with similar programs and activities in other parts of California	SC/TRC	Prepare a memo listing all RMP collaborative projects. Collaboration with many organizations is good. Could improve with some such as CEP, IEP. Set up a mini workgroup at IEP's annual meeting.
16	Continue the transition from a data collection focus towards synthesis into informational products that will aid decision-making	TRC/SC	Not yet addressed by TRC
