

# Developing a San Francisco Bay Fish Consumption Survey Questionnaire: Workshop #2

February 15, 2024

Virtual Meeting

*We acknowledge the San Francisco Bay is the ancestral homeland of many indigenous people, including the Ohlone, Patwin, Coast Miwok, and Bay Miwok.*

# Item 1: Introductions and Review Goals for the Meeting

Led by Sami Harper, Water Board

Desired outcomes of this item:

- Understanding of meeting goals
- Agreement on guidance for inclusive conversation
- Introductions

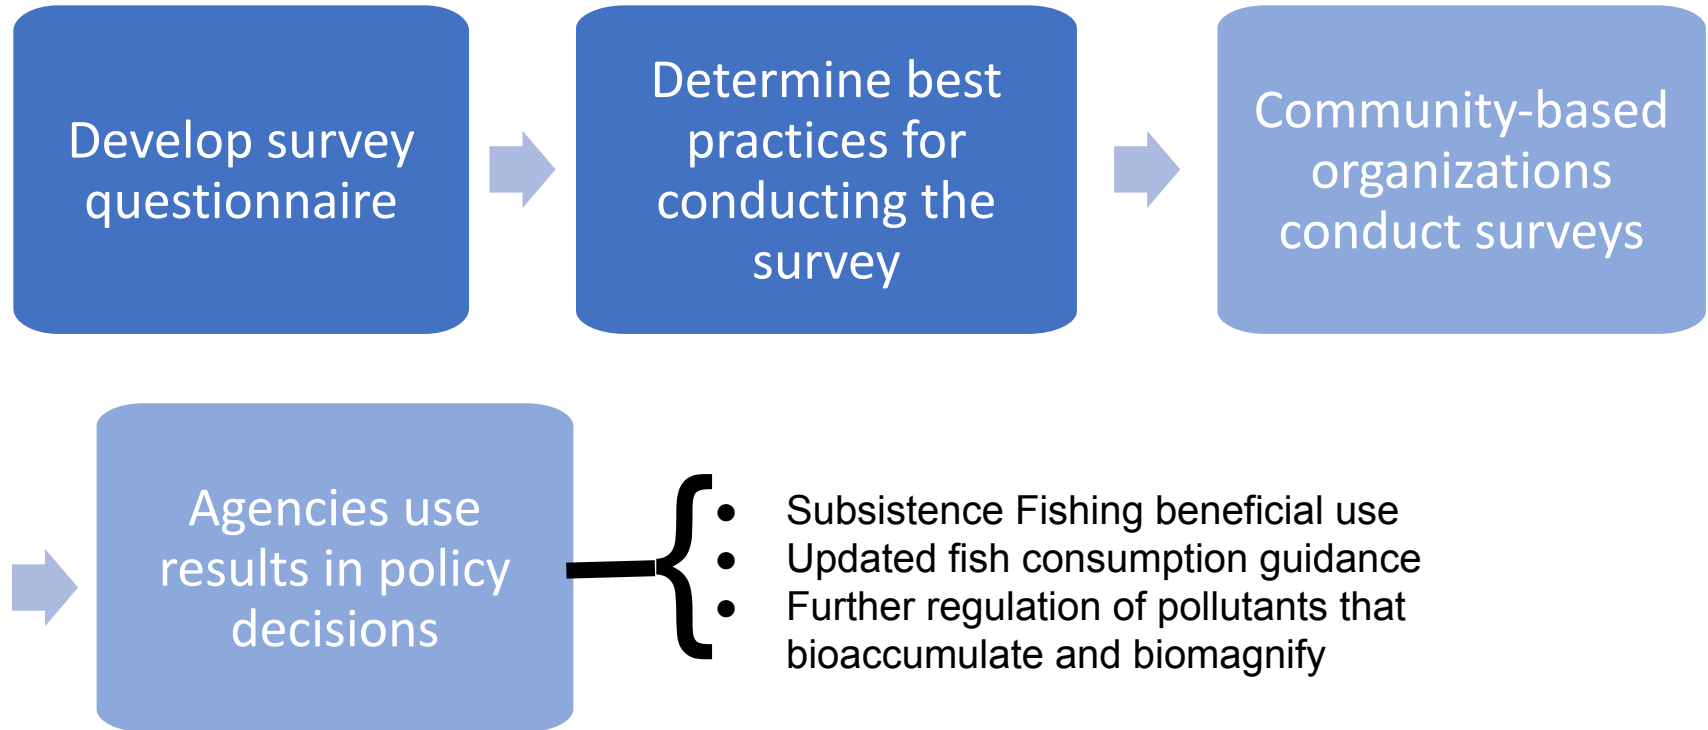

# Zoom Guidelines

- Update your name and add your affiliation
- Raise your hand if you have a comment or question
- Unmute yourself and turn on video when you are speaking
- You can use the chat function if you have a comment, question, or technical issue, but it's better to verbally provide your input if you're comfortable with that
- We will record the meeting for note-taking purposes only

# Guidelines for Inclusive Conversation

1. Release judgement
2. Actively listen to understand, not defend
3. Disagree with the idea not the person
4. Make space and take space
5. Avoid jargon
6. Take care of yourself

# Project Big Picture Outline

# Meeting Goals

1. Reach consensus on content of the questionnaire
2. Inform the group on next steps

# Introductions

- Name
- Affiliation

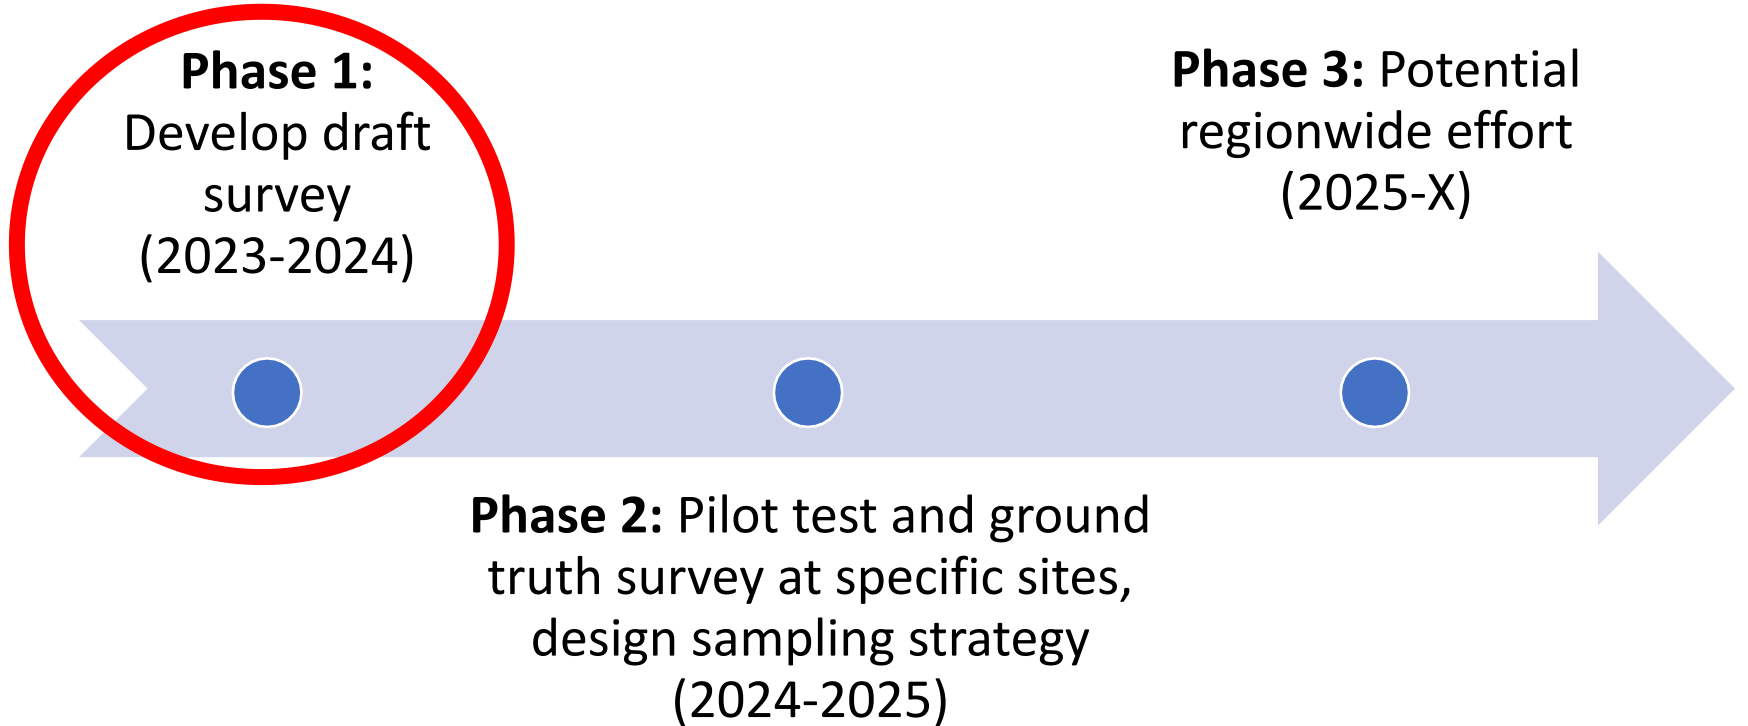

# Item 2: Revised Draft Questionnaire

Led by Gerardo Martinez, Water Board

Desired outcomes of this item:

- Obtain input from the community representatives and the technical advisors

# Revised Timeline

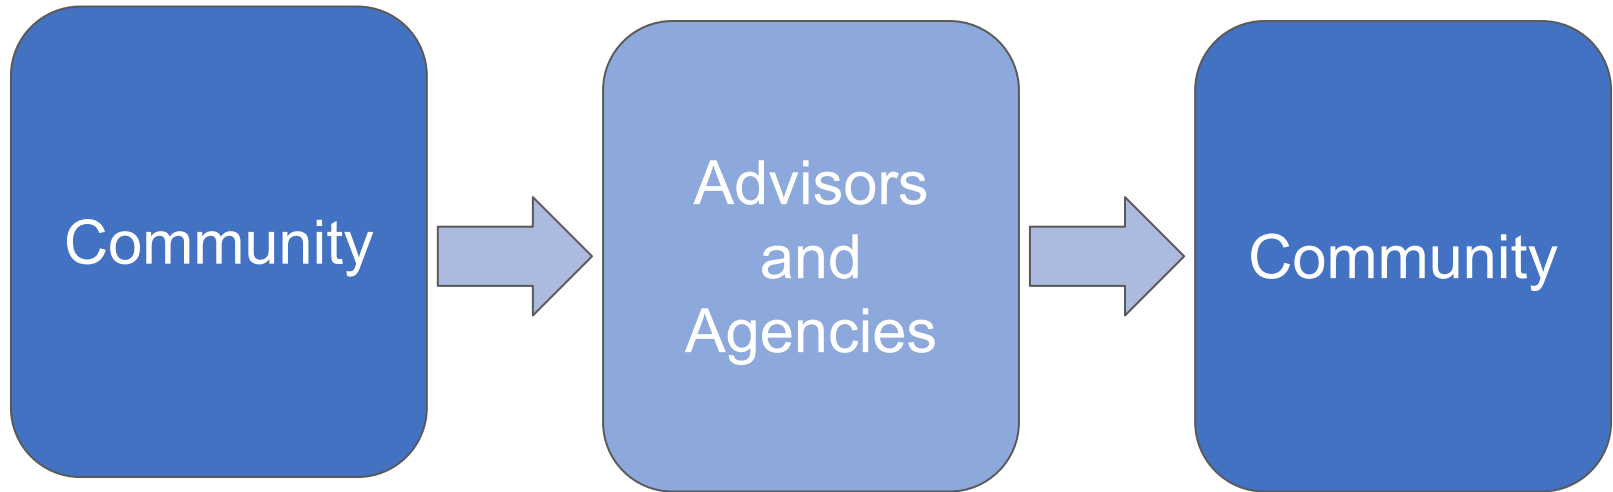

# Work Since Workshop #1

- Incorporated CBO and agency feedback from our first workshop
- Updated draft with SFEI, Water Board, and advisors
  - Water Board provided feedback
  - Advisors gave technical advice

- General comments from the Water Board
- General comments from the technical advisors

# Draft Questionnaire

By Section

# Section 1: Introduction

Hello, my name is \_\_\_\_\_. I am from [CBO Name] and we are doing a survey to understand how much fish and shellfish are caught and consumed by people fishing in the Bay. The survey will support efforts to promote safe consumption of Bay fish.

There are no right or wrong answers to any of these questions. **I am not checking fishing licenses or checking your catch.**

You can skip any question you don't want to answer. You can also stop the interview at any time. Your responses will be kept anonymous. The survey will only take about 15-20 minutes. Are you willing to take the survey?

# Section 1: Introduction

**Question 1) Our study is called the San Francisco Bay Seafood Consumption Study. Have you been interviewed before for this study?**

**Question 2) Not including today, in the last 4 weeks, how many days have you gone fishing in the Bay? (show map)**

**Question 3) What do you usually do with your catch? Check all that apply**

Eat Myself  Share with those I live with  Use for bait  Give to community/others  Trade or Sell  Catch and Release  Other:

**Question 4a) Do you consume any of the fish you or others catch from the Bay?**  Yes  No If no, end survey

**Question 4b) (if yes) - Why do you fish/eat fish from the Bay? Check the top three reasons.**

Cultural Heritage  Health/Nutrition  Share with those I live with  To Have Fun/Relax

Barter/Sell  Family Tradition  To be with friends/family  Other: \_\_\_\_\_

**Question 4d) If your fishing relates to cultural/traditional/familial practices, please explain how: [PRIORITY QUESTION FOR WORKGROUP DISCUSSION]** \_\_\_\_\_

# Item 4: Feedback on Today's Workshop

Sami Harper, Water Board

Desired outcomes of this item:

- Obtain feedback on the Workshop from Workshop participants

**Extra slides**

# Task 11

- Develop a survey questionnaire to characterize consumption of Bay-caught fish by *subsistence fishers*.
  - Survey questions should help us identify who is a subsistence fisher.
- Data to be collected:
  - Number of servings per week for fisher and family (especially pregnant women and children);
  - Species consumed;
  - Preparation method for the fish and size of fish consumed;
  - Reason for fishing;
  - Location of fishing, etc.

# Section 1

- 1) May I talk to you for a few minutes?
- 2) Have you been interviewed before for this study?
- 3) Not including today, in the last 4 weeks, what is the total number of times you have (alternative: how many days have you) gone fishing in the Bay?
- 4) Why do you go fishing on the Bay? (open-ended with post-hoc categorization)

Risk Communication (Suggested to delete or move to end)

**Question 29a) Have you heard or seen any information or the advisory about the pros and cons of eating fish from the Bay?**  Yes  No

**29b) What did the information say about fish from the Bay?** \_\_\_\_\_

Notes: The Gold Country (Sierra Nevada) survey left this open ended and asked the interviewer to record the exact response. Should we do the same? I think having options could prime/negatively influence the interviewee.

**29c) Where did you get this information?**
